

Improve Pedestrian Connections at Northgate

Please help us get a better understanding of current pedestrian use and activity in the Northgate Urban Center and of what you'd like to see improved to make this area better for pedestrians.

SURVEY & MAPPING EXERCISE

DIRECTIONS

Please label on the map below the key locations and destinations you frequently visit in the Northgate Urban Center.* Then mark the general route you take, and draw the appropriate symbol to show the form of transportation you use to get to these locations (driving, walking, biking, transit, etc). Feel free to make use of the margins to draw arrows or provide clarifying text.

**Please note the shaded areas indicate Parks and Community Gardens (current & future)*

SYMBOLS

Walk

Bicycle

Drive

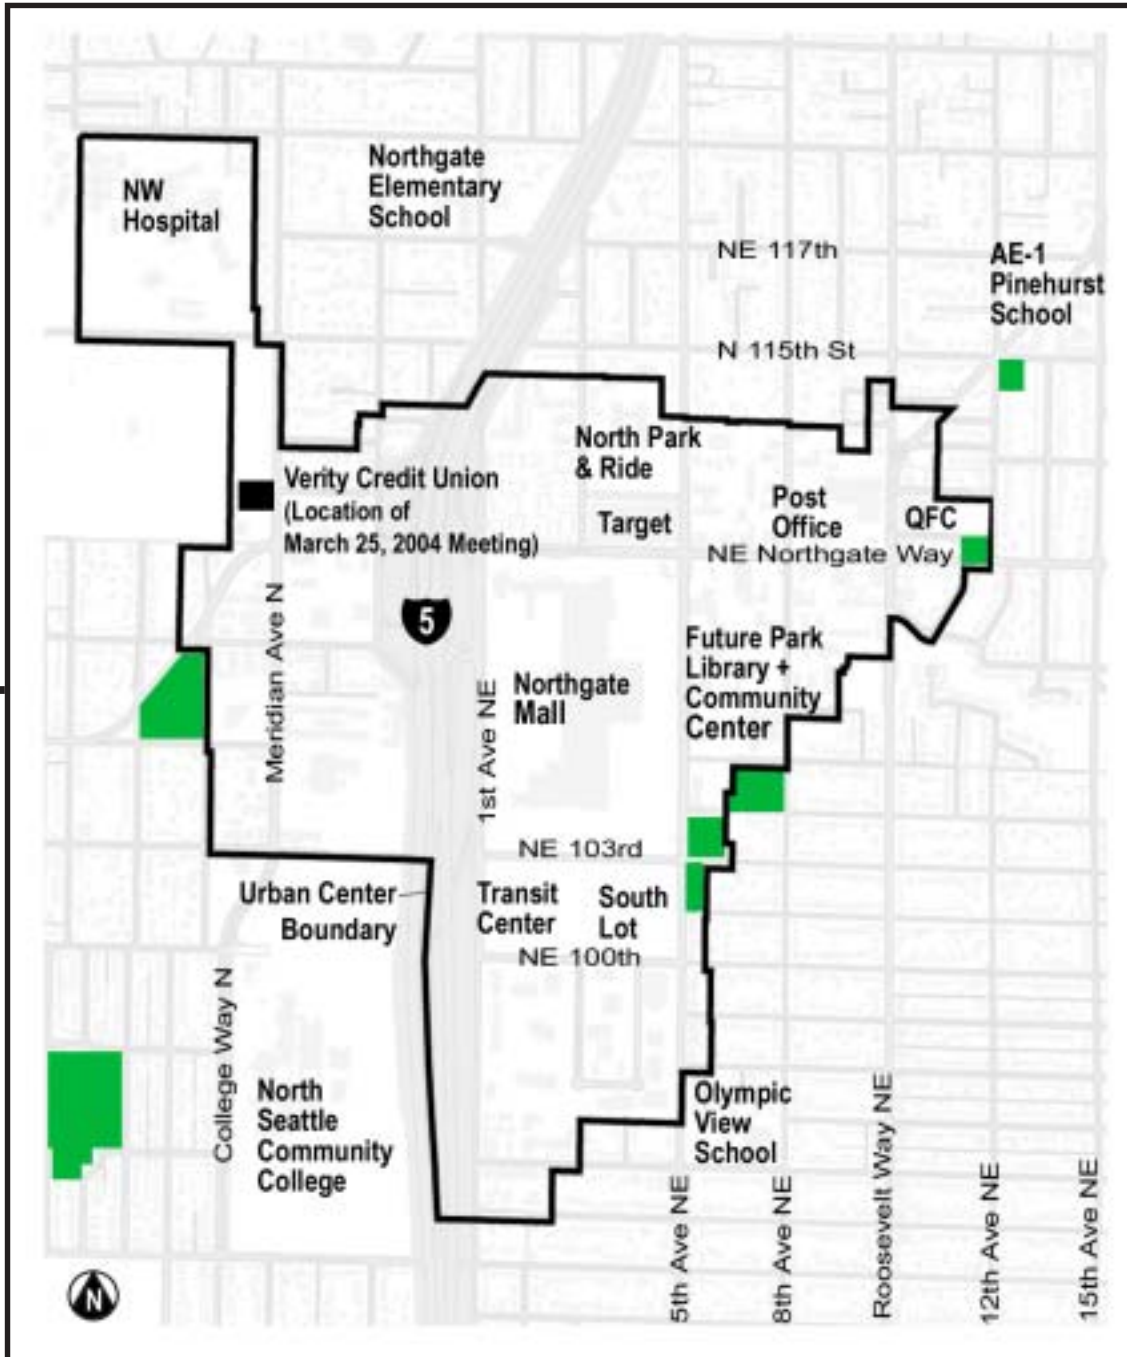

Transit

Barriers to Walking
